About Us

With the growing business of hotels, restaurants and bakeries, the demand for commercial kitchen equipment is also rising in the market. To meet such demand for commercial kitchen equipment, our company, Foraitu Eximco came into existence in 2016. To offer our customers with superior quality products, we have made association with the most experienced manufacturing companies of the international market. Our company imports Kitchen Metal Pulverizer, Rotary Oven, Bezzera Coffee Grinder, Baking Trolley, Sound Proof Blender, Electric Deep Fryer, Microwave Pan and allied equipment from the global brands and supplies them all across India. By constantly offering top-notch commercial kitchen equipment in the market, we have attained a leading position of importer and supplier. The products we are offering are made of high-grade materials which improve their work efficiency, performance and functional life. In compliance with the global standards, the vendors design & develop the products with the aid of modern technologies and techniques.

Foraitu Eximco is a well-established company in India which is known for its international standard commercial kitchen equipment. The organization is located in Kozhikode, Kerala (India) where all the daily business activities of the company takes place. Associated with the international producers, we are importing premium-class products which include Electric Potato Fryer, Chicken Cutting Machine, Baking Trolley, Electric Citrus Juicer, Microwave Pan, etc. In different designs and sizes, we are offering the kitchen equipment to suit the diverse requirements of the users. Our vendors use good quality raw materials for manufacturing the products which improve their quality and overall performance. We are grateful to have supportive vendors who always help us in satisfying our clients demands.
